

The Story Behind the 4

As business leaders, you can appreciate a little story about some **BIG SAVINGS**.

Our connections with major retailers and Feeding America,

paired with our knowledge in procuring, **STORING**

and **DISTRIBUTING** large quantities of fresh,

nutritious foods, allows us to turn \$1

into \$4.

This means we can turn

1 Meal into 4 Meals

Because the FB4W can make your donation go further.

Donating to the Food Bank is not only good for the

COMMUNITY

It's also Good Business.

is the

of the

COUNTY'S

anti-hunger relief efforts, feeding the

200,000

children, seniors and working poor that would otherwise go hungry.
