The Valley Table sets a place for the farmers and the foodies —bringing together the producers, purveyors, and consumers who revel in our one-of-a-kind food experience. Our magazine and our programs—like Hudson Valley Restaurant Week and Support The Craft—drive the “eat & drink local” movement and serve up the innovation, agricultural heritage, and all-out excitement that defines food here.

*In the Hudson Valley and with
The Valley Table you don't need to
